Precincts in the county for this election (attach list describing all precincts with the number of ballots in each, indicating whether ballots are polling place / vote center, vote-by-mail, or provisional):

Total number of precincts in the election	80
Total number of precincts selected for the manual tally	13

Batches of vote-by-mail or provisional ballots (attach list describing each batch with the number of ballots in each, indicating whether ballots are polling place / vote center, vote-by-mail, or provisional):

Total number of batches in the election	N/A
Total number of batches selected for the manual tally	N/A

Method used to choose precincts and batch of ballots to manually tally (include description of random selection method):

Ran "EWMR082 - One Percent Random Sample" from our EIMS. Our 1% Manual Tally provided a main precinct with the contests included on all our ballots plus several additional precincts with district offices. The Tally Board tallied both polling place ballots as well as vote-by-mail ballots for each of the selected precincts.

Description of any discrepancies noted (include details about each discrepancy and how each was resolved; also include anything unusual observed during the manual tally process or anything that may improve the manual tally process):

There were no discrepancies between the votes counted by the Department's Voting System and the votes tallied by the Manual Tally Board; other than unintentional and explainable human error.

I do not have any suggestions to improve the manual tally process.
