Description of any discrepancies noted (include details about each discrepancy and how each was resolved; also include anything unusual observed during the manual tally process or anything that may improve the manual tally process):

One VBM ballot with was identified with an ambiguous mark. Tally team reviewers disagreed with initial adjudication ruling of "Blank/Undervote" based on voter intent as determined by the voter's pattern of marking voting targets (pattern not reviewed during original adjudication). The ballot was re-adjudicated to match the tally team's assessment of voter intent.
