Description of any discrepancies noted (include details about each discrepancy and how each was resolved; also include anything unusual observed during the manual tally process or anything that may improve the manual tally process):

Two ballots marked with red pen instead of the recommended blue or black pen were identified. These ballots were scanned as "blank/undervote". These ballots were duplicated and re-scanned based on voter intent as determined by the manual tally team.

One ballot was found where the voter had filled in the "o" in "No" instead of the voting target next to "No". This ballot was scanned as "blank/undervote". This ballot was duplicated and re-scanned based on voter intent as determined by the manual tally team.

One adjudication issue was identified where the scanned image indicated insufficient voter intent but
