2026 Statewide Direct Primary Election Results of 1% Manual Tally

On June 3, 2026, the San Joaquin County Registrar of Voters office conducted the Random Precinct Selection for the 2026 Statewide Direct Primary Election 1% Manual Tally. The selection process was performed using a random number generator to ensure impartiality and accuracy in identifying the precincts to be included. A total of 12 precincts were selected for inclusion in the manual tally, which commenced on June 9, 2026, and concluded June 19, 2026. During the 1% Manual Tally 4,849 ballot cards, including 25,469 total voting opportunities, were hand counted and compared to the counts produced by the voting system, to verify that the votes were tabulated correctly. Of the 25,469 voting opportunities counted, one discrepancy was identified and manually corrected in the final vote tally, to more accurately reflect voter intent.
