Method used to choose precincts and batch of ballots to manually tally (include description of random selection method):

Two-part method: select 1% of Vote Center ballots and 1% of Vote by Mail ballots, both by batch.

Election workers rolled up to four 10-sided dice to select dice bins. Each dice bin was associated with one batch of ballots. Dice bins were created by referring to <https://votingworks.github.io/dicebins/dicebins.html>. The initial round of rolls continued until the combined number of ballots in the selected batches reached the 1% threshold. Afterwards, additional rolls selected precincts containing contests that were not included in the initial selection, then another round of rolls selected batches containing the specified precincts.

One Percent Manual Tally Begins on June 5 for the June 2, 2026 Statewide Direct Primary Election

(Redwood City, CA) Mark Church, Chief Elections Officer and Assessor-County Clerk-Recorder, announced today that the San Mateo County Registration & Elections Division will begin the One Percent Manual Tally of votes for the June 2, 2026 Statewide Direct Primary Election on Friday, June 5, 2026, at 9:00 a.m.

The One Percent Manual Tally is a required post-election canvassing procedure conducted after the polls close on Election Day. Its purpose is to verify the accuracy of the vote count before the certification of official election results.

The process begins with the random selection of ballot batches from both Vote by Mail and Vote Center ballots. This random selection is determined by rolling three to four ten-sided dice, with the resulting numbers identifying the specific batches to be manually tallied.

The entire procedure, including the dice roll, is open to public observation. In previous tallies, members of the public have participated by rolling the dice to help determine which batches are selected for manual tallying.

Following the dice roll, Elections Officials will retrieve the designated ballots for manual tallying. The tallying will commence on Monday, June 8, 2026 at 9:00 a.m.

Election Officials will organize four-person tally teams responsible for manually reading, calling out, recording, and tallying votes from the randomly selected batches. This process is expected to take a week.

The Chief Elections Officer will certify and publish the final official results no later than July 2, 2026. The official certified results, known as the Statement of the Vote, will be available on www.smcacre.gov.

The One Percent Manual Tally will take place at the Registration & Elections Division, located at 40 Tower Road in San Mateo. To observe the tally or participate in the precinct and batch selection process, please send an email to ElectionObserver@smcacre.gov.
