Note: It's important to include all contests in the hand tally. If you find that any contests were not part of the initial 1% hand tally of Vote By Mail ballots, please make sure to count an additional batch of Vote By Mail ballots for each of these contests. Remember, the manual tally should focus exclusively on the contests that were previously excluded. For instance, only tally the ballots that contain the omitted contest from the first 1% hand tally. This approach will help ensure that every contest is accurately accounted for.
