**Please use this space to describe any additional details regarding your recruitment of bilingual poll workers or language services provided.**

Attempts were made to recruit bilingual student volunteers, but none did. Staff made presentations at both Amador County High Schools and several students registered to vote, and about a dozen signed up to work on election day, but none were bilingual.

Also, four bilingual poll workers were used for June 2018, but events occurring on election day (such as running out of ballots in some locations) and the attention from those events caused three of the four to drop out before the November election.
