1	Napa County Deployed Ballot Marking Devices that offered the image of the ballot in English & Spanish. We chose the ICX by Dominion because not only did it provide our ballot in both Spanish and English, it also provided assistance to our Voters with visual and or audio disabilities as well.	3-6 depending on the traffic of the Vote Center location.

**Please use this space to describe any additional details regarding your recruitment of bilingual poll workers or language services provided.**

The outreach team of Napa County went to many events in each of the municipalities to recruit bilingual Vote Center staff. We also created fantastic Community partnerships that helped recruit bilingual help. As a Vote Center County, we created a Language Accessibility advisory Committee and we worked with City Clerks to spread the word of our language service's needs.
