Please use this space to describe any additional details regarding your recruitment of bilingual poll workers or language services provided.

*Placer County additionally has a Tagalog language requirement under 14201. However, this only occurred in mail ballot precincts so we had facsimile ballots available upon request and in our Elections Office. Targeted polling place precincts in Spanish and Korean had facsimile ballots on site.

*Recruited from our current poll worker database

*Asked for referrals from already assigned bilingual workers

*Sent recruitment notices to Hispanic/Korean political clubs, cultural groups, churches, language professors, etc.
