The Libertarian Party holds that the person best qualified to live your life is you. You have the right to exercise sole dominion over your own life and to live in whatever manner you choose, so long as you do not forcibly interfere with the equal rights of other individuals to do the same. Imagine a world where that was respected. We do.

Your body is your body. Your property is your property. Your speech and beliefs are your speech and beliefs. You own them, absolutely and undeniably. So long as you aren't intruding on others' rights, nobody gets to force you to do anything or take anything away from you. We deny the "right" of any government to control or dispose of your life or the fruits of your labor.

We champion voluntary and contractual relations among individuals, not forced government compliance. Respect for individual rights is an essential precondition for a free and prosperous world. Force and fraud must be banished from human relationships. Only through freedom can peace and prosperity be realized.

The Libertarian Party stands against authoritarians of all stripes. Help us restore American freedom! Vote Libertarian, the Party of Principle!
