

REBUTTAL TO ARGUMENT FOR PROP 41 (250 word max)

THIS IS A BILLIONAIRE-FUNDED SMOKE SCREEN

Don't be fooled – Prop 41 is not really about audits.

This is all a trick so approximately 200 billionaires can keep avoiding paying their own taxes while YOU get stuck with the bill.

PROP 41 WOULD CANCEL OUT THE BILLIONAIRE TAX

Prop 41 is a billionaire-funded scheme designed specifically to undo the California Billionaire Tax, Prop 40.

Prop 41 was put on the ballot because billionaires don't want to pay their fair share. They'd rather millions of working people lose healthcare than pay a modest, one-time tax on their extreme wealth.

PROPOSITION 41

To add insult to injury, Prop 41 isn't just a scheme, it's an expensive one – it would cost the state time and money.

SOME OF DONALD TRUMP'S DONORS FUNDED THIS

The billionaires behind this don't care about accountability for taxpayers. They've been getting out of paying their own taxes for years through loopholes and tax breaks.

This sham initiative was created to trick voters like you into making a billionaire tax impossible to enforce.

IF YOU CARE ABOUT FUNDING FOR HEALTHCARE, PUBLIC EDUCATION, AND FOOD ASSISTANCE,
VOTE NO ON PROP 41

Donald Trump slashed funding for our essential services so billionaires could hoard even more wealth.

Passing the California Billionaire Tax is the only way to replace the money Trump took from us, so we're not stuck with shuttered hospitals and skyrocketing healthcare costs.

PROPOSITION 41

To save lives and keep healthcare costs down for Californians, reject the billionaires' lies. Vote

NO on Prop 41.
