

ARGUMENT AGAINST PROPOSITION 42

VOTE NO ON PROP 42. This is a billionaire-funded initiative designed specifically to undo the California Billionaire Tax, Prop 40.

PROP 42 WOULD CANCEL OUT THE BILLIONAIRE TAX

Prop 42 was put on the ballot for one reason – because billionaires don't want to pay their fair share. This initiative was created to trick voters like you into making a billionaire tax impossible to enforce. That's why you must vote NO.

Don't fall for the billionaires' lies. Prop 42 isn't about preventing new taxes on personal property. It's about preventing one specific tax that billionaires want to avoid, because they'd rather millions of working people lose healthcare than pay a modest, one-time tax on their extreme wealth.

PROP 42 WAS FUNDED BY BILLIONAIRES WHO WANT YOU TO PAY MORE FOR
HEALTHCARE

One of Prop 42's main funders is Google founder and Trump donor Sergey Brin, whose wealth has DOUBLED to nearly \$300 billion since Trump's election. Now he's spent over \$57 million to fund sham measures like Prop 42 that attempt to cancel out a billionaire tax. U.S. Senator Bernie Sanders called this arrogant move by Brin "unacceptable."

ARGUMENT AGAINST
PROPOSITION 42

Donald Trump took money out of working peoples' pockets and gave it to billionaires like Brin through massive tax breaks. Now, the billionaires backing Prop 42 want YOU to pay more for your healthcare.

VOTE NO ON PROP 42 IF YOU SUPPORT THE BILLIONAIRE TAX

We have a chance to make billionaires pay their fair share to keep hospitals open and healthcare affordable for California's working families. Vote NO on Prop 42.
