Proposition 41
Prohibits New State Taxes That Exclude Revenues From State
Spending Limit. Requires Audits for New State Special Taxes.
Initiative Constitutional Amendment.

Yes/No Statement

A **YES** vote on this measure means: When special taxes are proposed by voter initiatives, the California State Auditor would review programs funded by the tax before the initiative appears on the ballot. The California State Auditor also would regularly review programs funded by special taxes approved by voters or the Legislature. In addition, the state might not be able to exclude any new special tax spending from its spending limit.

A **NO** vote on this measure means: The California State Auditor's responsibility to review government programs would not change. The state spending limit requirements would not change.

50-Word Statement

Californians deserve better results for our taxes. Billions have flowed into programs like homelessness, with too little to show for it. Prop 41 requires the independent State Auditor to conduct PUBLIC AUDITS of programs funded by new taxes – so we get more transparency, more accountability and better outcomes for taxpayers.

CON on Prop 41 (50 word max)

Prop 41 isn't really about audits – it's a billionaire-funded trick designed to undo the California Billionaire Tax. Billionaires would rather millions of Californians lose healthcare than pay a modest tax on their extreme wealth. Don't fall for the billionaires' lies. Vote NO on 41.
