

**BALLOT LABEL**

**MODIFIES ENVIRONMENTAL REVIEW FOR CERTAIN PROJECTS. INITIATIVE STATUTE.** Amends California Environmental Quality Act (CEQA) to expedite environmental review for certain projects (including most housing, transportation, water, and health projects) by setting deadlines to complete environmental review and resolve lawsuits challenging project approvals. **Fiscal Impact:** Initial costs for state and local governments, likely in the high tens of millions of dollars—potentially exceeding \$100 million—annually, partly covered by fees. Uncertain, potentially more significant positive or negative longer-term fiscal effects. **Supporters:** California Children’s Hospital Association; California Water Association; California Council for Affordable Housing **Opponents:** Coalition for Clean Air; CA Environmental Voters; Physicians for Social Responsibility, LA; National Wildlife Federation

**Proposition 45**  
**Modifies Environmental Review for Certain Projects. Initiative Statute.**

**Yes/No Statement**

A **YES** vote on this measure means: Certain public and private projects would be eligible for new project review and court challenge procedures. For example, new procedures would tighten time limits for environmental review and reduce the scope of what courts can consider when reviewing legal challenges.

A **NO** vote on this measure means: Public and private projects would continue to use existing project review and court challenge procedures.

**Yes on 45**  
**50-Word Statement**

The failing status quo is making California unaffordable. Prop 45 fixes our broken system and lowers our high cost of living by cutting red tape to build housing, water, schools, hospitals, clean energy, and wildfire prevention faster—while maintaining California's strong environmental protections. Vote YES for a more affordable California. [YESonProp45.com](http://YESonProp45.com)

Proposition # 45

Include text here (50 word maximum):

PROPOSITION 45 LIMITS ENVIRONMENTAL AND PUBLIC REVIEW OF PROJECTS BUILT IN YOUR COMMUNITY. It guts ~~CEQA~~ — flipping California law to protect corporate profits over public health and our air and water. Prop. 45 won't lower your costs: its utility and corporate funders profit while taxpayers pay more. VOTE NO.
