SUBJECT: RECALL OF STATE SENATOR RICHARD PAN, STATE SENATE DISTRICT 6; CALENDAR OF EVENTS

Today, August 26, 2019, the Secretary of State’s office approved petitions for circulation for the recall of Senator Richard Pan.

The following are some key points with regard to the recall process:

1. The petitions must be submitted to the elections official in the county in which the petitions were circulated. They may be submitted on multiple occasions at any time during the 160-day circulation period that ends Monday, February 3, 2020. (Cal. Const., art. II, § 14(a))

2. Elections Code section 11104 requires each county to report all of the following to the Secretary of State every 30 days: 1) the number of signatures submitted during that 30-day period ending five days previously, excluding Saturdays, Sundays, and holidays; 2) the cumulative total of all signatures received since the initiation of the recall through the period ending five days previously, excluding Saturdays, Sundays, and holidays; 3) the number of valid signatures, verified pursuant to Section 11104(b), submitted during the previous reporting period.

1 The last day to circulate petitions falls on a Sunday. Therefore, in accordance with Elections Code section 15 and Government Code section 6707, the last day to circulate petitions falls upon the next business day.
2 All section references are to the California Elections Code unless otherwise noted.
period, and of valid signatures verified during the current reporting period; and 4) the cumulative total of all valid signatures that have been verified since the initiation of the recall and ending five days previously, excluding Saturdays, Sundays, and holidays. These submissions should be directed to Jordan Kaku at jkaku@sos.ca.gov.

3. In accordance with section 11104(d), county elections officials are not required to verify any signatures until notified by the Secretary of State that the proponents have submitted at least 6123 signatures, which is 10 percent of the total signatures required to qualify the recall for the ballot.

4. Section 11043 requires each signer to personally affix his or her signature, printed name, residence address (giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained), and the name of the incorporated city or unincorporated community in which the voter resides to the petition section in order for the signature to be valid.

5. Section 11102 requires each section of a recall petition to be filed with the elections official of the county in which it was circulated.

6. Section 11103 requires the proponents or a person authorized in writing by a proponent to file petition sections.

7. Initial signature withdrawal period: Sections 103 and 11303 permit any voter who signed the petition to remove their name by filing a written request that includes the voter’s name, residence address, and signature with the county elections official prior to the filing of the petition section that contains the voter’s name.

8. Supplemental signature withdrawal period: In addition, Section 11108(b) provides that any voter who has signed the petition and chooses to remove their name has 30 business days after the Secretary of State issues the notice to counties that a sufficient number of valid signatures has been collected to initiate a recall election to request this withdrawal in writing.

9. Sections of a recall petition are not public records, and as a result, only staff of the county elections official may have access to the petition sections. If the petition is found to be insufficient, the proponents listed on the notice of intention may examine the petition sections. (Gov. Code § 6253.5)

6. The Secretary of State must maintain a continuous count of the signatures certified by county elections officials. (Cal. Const., art. II, § 14(c))

8. Within 10 days of receiving certifications from one or more county elections officials indicating that a sufficient number of registered voters signed the petition to initiate a recall election, the Secretary of State shall notify each county elections official. (§ 11108(a))

Note: With this notification to the county elections officials, the Secretary of State will provide a calendar setting forth the specific dates related to the following events detailed below.

9. Supplemental signature withdrawal period: Within 30 business days of the Secretary of State’s notice, as set forth in Item 8 above, any voter who has signed the petition may withdraw his or her name from the recall petition. (§11108(b))

10. No later than 10 business days after the supplemental signature withdrawal period, the county elections officials must report the total number of signatures withdrawn to the Secretary of State. (§ 11108(c))

11. Following receipt of the county elections officials’ reports of withdrawn signatures, the Secretary of State must determine if the petition has the requisite number of valid signatures to initiate a recall election and, if so, notify the Department of Finance of the results. If the petition does not have the requisite number of valid signature, the Secretary of State must notify the county elections officials that they must continue to verify signatures; however, this is dependent on a number of factual scenarios such as, if there are additional signatures to verify and whether the circulation period has ended. 15. The Governor is required to call a recall election to be held not less than 60 days nor more than 80 days from the date of certification of sufficient signatures. A recall election may be conducted within 180 days from the date of certification of sufficient signatures in order that the election may be consolidated with the next regularly scheduled election occurring wholly or partially within the same jurisdiction in which the recall election is held, if the number of voters eligible to vote at that next regularly scheduled election equals at least 50 percent of all the voters eligible to vote at the recall election. (Cal. Const., art. II § 15; § 11110)

2. Last date for the Secretary of State to certify names of candidates to county elections officials. (§ 11381(a))

3. If the majority vote on the question is to recall, the State Senator is removed from office and the candidate who receives a plurality is the successor. (Cal. Const., art. II, § 15(c))

Miscellaneous

1. California law prohibits the use of signatures, names, and addresses gathered on recall petitions to be used for any purpose other than to qualify the recall for the ballot. This means that the petitions cannot be used to create or add to mailing lists or similar lists for any purpose, including fund raising or requests for support. Any such misuse constitutes a crime under California law. (§ 18650; Bilofsky v. Deukmejian (1981) 124 Cal.App.3d 825; 63 Ops.Cal.Atty.Gen. 37 (1980))

2. Any registered voter qualified to vote for the officer to be recalled may sign the recall petition. (§§ 102, 11045)

3. A registered voter at the time of signing a recall petition must personally affix his or her residence address and printed name along with his or her signature. If the voter is unable to personally affix his or residence address and printed name, the voter may request another person to print that information on the appropriate spaces on the recall petition. However, the voter shall personally affix his or her mark or signature on the appropriate space on the recall petition, which shall be witnessed by one person by subscribing his or her name thereon. (§§ 100, 100.5, 11043)
4. Proponents of a recall, officers sought to be recalled, and candidates seeking to replace a recalled officer may have disclosure requirements under the Political Reform Act. (Government Code § 81000 et seq.) Questions should be directed to the Fair Political Practices Commission at the following address: 428 J Street, Suite 620, Sacramento, California 95814, or by telephone at (866) 275-3772.
