¹Since September 26, 2016, 16- and 17-year-olds can pre-register to vote. Once they turn 18, they become automatically registered. To accurately capture the number of voters who will be registered for the November 6, 2018, election, voters who will be 18 on Election Day but are not yet 18 are included in the active registration statistics. However, they were not eliminated from pre-registration statistics since they remain pre-registrants until their 18th birthday. Therefore, some voters are counted in both pre-registration and active registration statistics.
