

# REPORT OF REGISTRATION AS OF MARCH 11, 2022

Due to the delay in Census information as a result of the COVID-19 pandemic which subsequently affected the release of redistricting maps by the California Citizens Redistricting Commission, this 88-Day Report of Registration acts as a supplemental report to the 154-Day Report of Registration. The 88-Day Report of Registration includes the number of voters, by party preferences, in each Supervisorial, State Senate, State Assembly, Board of Equalization, and Congressional District that were not included in the 154-Day Report of Registration.
