## ABOUT THIS STATEMENT OF VOTE

### THE INTRODUCTION

This Statement of Vote contains a wealth of information. In the introductory pages, you will find the voter registration and participation statistics reported by county for this election and statewide for past general elections starting with the November 8, 1910 election. The list of voting systems used by the counties is next, followed by information about the contests on the ballot. The last section in the introduction contains the summaries of votes cast for all the measures on the statewide ballot.

### THE STATEMENT OF THE VOTE

The Statement of Vote reports the county-by-county vote cast for each measure on the ballot. The vote is reported by all 58 counties, listed in alphabetical order with the statewide total at the bottom. The measures are reported by county in alphabetical order, with results in “For,” “Against,” and “Votes not Cast” order.

## PROPOSITIONS

There are two types of initiative measures on this ballot:

### **INITIATIVES**

Often called "direct democracy," the initiative is the power of the people to propose statutes, amendments to the state constitution or general obligation bond measures for voter approval or rejection. In the case of initiatives, the 131-day qualification deadline is constitutional and so cannot be waived. Any measure that qualifies after that deadline is placed on the next ensuing statewide ballot.

### **Initiative Constitutional Amendment (ICA)**

An initiative constitutional amendment requires signatures equaling 8% of the gubernatorial vote.

### **Initiative Statute (IS)**

An initiative statute requires the signatures of registered voters equal in number to 5% of the votes cast for all candidates for governor in the last election to qualify for the ballot;

All statewide measures require a simple majority for passage.

State ballot measures are numbered consecutively in ten-year cycles; the current cycle began with the eleven measures on the November 1998 general election ballot.

## PROPOSITIONS

There are two types of initiative measures on this ballot:

### **INITIATIVES**

Often called "direct democracy," the initiative is the power of the people to propose statutes, amendments to the state constitution or general obligation bond measures for voter approval or rejection. In the case of initiatives, the 131-day qualification deadline is constitutional and so cannot be waived. Any measure that qualifies after that deadline is placed on the next ensuing statewide ballot.

### **Initiative Constitutional Amendment (ICA)**

An initiative constitutional amendment requires signatures equaling 8% of the gubernatorial vote.

### **Initiative Statute (IS)**

An initiative statute requires the signatures of registered voters equal in number to 5% of the votes cast for all candidates for governor in the last election to qualify for the ballot;

All statewide measures require a simple majority for passage.

State ballot measures are numbered consecutively in ten-year cycles; the current cycle began with the eleven measures on the November 1998 general election ballot.
