

ABOUT THIS STATEMENT OF VOTE

The Introduction

This Statement of Vote contains a wealth of information. In the introductory pages, you will find the voter registration and participation statistics reported by county for this election and statewide historical totals for past general elections dating back to the November 8, 1910 election. Also included are the signature requirements for qualifying an initiative or referendum measure for the ballot, or a new political party to nominate state-level candidates. The voting systems used by the counties and a brief description of each is next, followed by a brief discussion of the election of statewide officers, members of the State Board of Equalization, United States Senate, United States House of Representatives in Congress, and the State Legislature. The last section in this introduction contains the summaries of votes cast for statewide ballot measures, concluding with the summary of votes cast for all statewide offices and measures on the November 7, 2006 General Election ballot.

The Statement of Vote

The Statement of Vote reports the county-by-county total votes cast for each candidate and measure on the ballot. For example, in a statewide contest such as United States Senator, the vote is reported by all 58 counties, listed in alphabetical order, with the statewide total at the bottom. Candidates are listed in party alphabetical order, with major parties first, followed by the smaller parties: Democratic, Republican, American Independent, Green, Libertarian, Natural Law, and Peace and Freedom. Qualified write-in candidates are listed last. Totals are provided along with the percentages those votes represent.
