

## PREFACE

The Supplement to the Statement of Vote provides detailed information on how votes were cast within each county.

This document is produced pursuant to Elections Code section 15502 which requires the Secretary of State to compile a Supplement based upon the information provided by the counties within 120 days of the filing of the Statement of Vote. This document shows the number of votes cast in each county, city, Assembly district, Senate district, Congressional district and Supervisorial district for each statewide ballot measure.

In accordance with this requirement, this particular Supplement to the Statement of Vote contains the official vote count results by county for the seven ballot measures that appeared on the February 5, 2008, Presidential Primary Election ballot.

The first report for each contest presents a summary of the vote totals by county. The second report contains the totals by political subdivision within each county, followed by the results from each Congressional, State Senate, State Assembly, and Board of Equalization district. The district results indicate the votes cast district-wide and within each county that comprises the district.
