

**September 14, 2021, California Gubernatorial Recall Election
Supplement to the Statement of Vote**

Explanatory Notes

This Supplement to the Statement of Vote contains the official vote results for the September 14, 2021, California Gubernatorial Recall Election as provided to the Secretary of State's office by California's 58 county elections officials.

Plumas

On December 15, 2021 (after the Statement of Vote was published on October 22, 2021), Plumas County amended its final official canvass, by one vote. Plumas County's totals for the Recall Question and a Recall Election Gubernatorial Replacement Candidate have been updated in this Supplement to the Statement of Vote to reflect its amended official canvass and do not match the totals in the Statement of Vote. No election outcomes were affected.

San Joaquin

In some of its precincts, San Joaquin County reported votes in multiple supervisorial and congressional districts. For this reason, the sum of the totals by supervisorial and congressional districts do not equal the county totals for the Recall Question and the Recall Election Gubernatorial Replacement Candidates. For a complete breakdown of votes by political subdivision, please contact San Joaquin County.
