Official Declaration of the Vote Results for the State Ballot Measure	117

Napa County certified their official canvass to the Secretary of State on April 3, 2024. Napa County later discovered that due to an administrative error, their certified statement of results did not include votes for write-in candidates and recertified their election on April 17, 2024. This Statement of Vote has been updated to reflect the vote totals for the Libertarian Presidential contest and Assembly District 4 contest based upon Napa County's recertification. While no election outcomes were affected, the vote counts have changed slightly for the Libertarian Presidential and Assembly District 4 contests.

Following the completion of the voter-requested recount for the Congressional District 16 contest and the recertification on May 10, 2024, vote totals for Congressional District 16 have been updated in this Statement of Vote to reflect the recertified results which changed the outcome of the election.

Pursuant to a stipulated judgment, Alameda County counted additional write-in votes in Assembly District 20 and recertified their results on June 10, 2024. This Statement of Vote has been updated to reflect the recertified results. No election outcomes were affected.
