

Write-In Presidential Elector List

2004 Presidential General -- NOVEMBER 2, 2004

Voters in the November General Election are technically voting for the 55 presidential elector candidates, not directly for the candidates for President and Vice-President. Therefore, in order to be a write-in presidential candidate, a person must have 55 write-in presidential elector candidates file papers pledging themselves to the presidential candidate.

The 55 write-in elector candidates for presidential elector who have pledged themselves to vote for a candidate for President and a candidate for Vice-President must file declarations of write-in candidacy and those must be received by the Secretary of State office on or before October 19, 2004 (Elections Code Sections 8650 – 8653).
