Since the last 15-Day Report of Registration for a General in a gubernatorial election year (October 22, 2018):

- The total voter registration in the state increased from 19,696,371 to 21,940,274.
- The percentage of eligible Californians who are registered to vote increased from 78.16% to 81.63%.
- The percentage of voters who have no party preference decreased from 27.52% to 22.53%.
- The percentage of voters registered with a qualified political party increased from 71.66% to 76.31%.

The Report of Registration includes:

- Voter registration by political party, by county, city, congressional district, state senate district, and state assembly district.
- Statewide voter registration by age group by county.

- Historical comparisons to previous reports in gubernatorial general years.
- Reports on political bodies attempting to qualify as political parties (by county).
