**General Information**  
**Initiative and Referendum Qualification Requirements**  
**November 3, 2026, General Election**

**Initiative**

The initiative process is the power of the people to place laws and constitutional amendments on the ballot. These measures can either create or change laws (including general obligation bonds) or amend the California Constitution. If the initiative proposes to create or change California law, the proponent(s) must gather petition signatures of registered voters equal to 5% of the total votes cast for Governor in the most recent gubernatorial election. If the initiative proposes to amend the California Constitution, the signature requirement is 8% of the total votes cast for Governor in the most recent gubernatorial election. A qualified initiative is placed on the ballot for a regularly scheduled statewide general election that occurs at least 131 days after the measure qualifies or for a special election called by the Governor.

To be enacted, an initiative measure requires a simple majority of the total votes cast. A “yes” vote approves and a “no” vote rejects a proposed law or constitutional amendment placed on the ballot through the initiative process.

**Based on the number of votes cast for the office of Governor at the 2022 General Election<sup>1</sup>, number of signatures required for:**

Initiative Statute:	546,651 (5% of 10,933,018)	Cal. Const., art. II, § 8(b); § 9035 <sup>2</sup>
Initiative		
Constitutional	874,641 (8% of 10,933,018)	Cal. Const., art. II, § 8(b); § 9035
Amendment:		

**Referendum**

The referendum process is the power of the people to approve or reject laws already adopted by the Legislature. However, this does not apply to laws that have urgency clauses, call for elections, or provide for tax levies or appropriations for current expenses of the state. Proponent(s) wishing to prevent a legislatively adopted law from taking effect must, within 90 days of enactment of the legislation, gather signatures of registered voters equal to 5% of the total votes cast for Governor in the most recent gubernatorial election. A qualified referendum is placed on the ballot for a regularly scheduled statewide general election that occurs at least 31 days after the measure qualifies or for a special election called by the Governor.

Voters will be asked whether they want to “Keep the law” (allows the law to take effect) or “Overturn the law” (prevents the law from taking effect). § 13247

**Based on the number of votes cast for the office of Governor at the 2022 General Election<sup>3</sup>, the number of signatures required is as follows:**

Referendum Measure:	546,651 (5% of 10,933,018)	Cal. Const., art. II, § 9(b)
