PROP 26: LEGALIZES SPORTS BETTING

Prop 26 is a massive expansion of gambling in California sponsored by five wealthy tribal casinos whose goal is to expand their monopoly over all gambling and legalize sports betting on college and professional games. Prop 26 will lead to more underage gambling and addiction.

PROP 26: EXPANDS UNREGULATED GAMBLING

The sponsors of Prop 26 claim it will lead to better regulation of gambling, but they are not subject to most state laws in the first place. Some of these same gaming tribes even refuse to abide by California laws, including:

- Our environmental quality laws
- Our anti-discrimination and sexual harassment laws
- Our minimum wage laws

Some prohibit their employees from joining a union and some even allow eighteen-year-olds to gamble!

PROP 26: DESTROYS COMPETITION

The sponsors of Prop 26 made big profits staying open during COVID while their card club competition had to close. Now they want to put licensed and regulated card clubs out of business by giving private trial lawyers the enforcement powers held by the Attorney General to bury card clubs with frivolous lawsuits.

PROP 26 HURTS OTHER COMMUNITIES OF COLOR
REBUTTAL TO ARGUMENT IN
FAVOR OF PROPOSITION 26

If Prop 26’s sponsors are able to put their card club competition out of business, the state will lose 32,000 jobs and $500 million in annual local revenue that funds police, fire, health care and afterschool programs—disproportionately in communities of color. Even worse, California’s communities will lose $1.6 billion in wages.

PROP 26 IS SO BAD MOST CALIFORNIA INDIAN TRIBES DON’T EVEN SUPPORT IT.
