Summary of Legislative Analyst’s Estimate of Net State and Local Government Fiscal Impact:

- Increased state revenues, possibly reaching the tens of millions of dollars annually, from racetrack and tribal casino sports betting payments and gambling penalties. Some of these revenues would be a shift from existing state revenues.
- Increased state costs to regulate in-person sports betting, possibly reaching the low tens of millions of dollars annually. Some or all of these costs would be offset by the increase in state revenues.
- Increased state costs to enforce gambling laws, not likely to exceed the low millions of dollars annually. Some of these costs could be offset by the increase in state revenues.
