ARGUMENT IN FAVOR OF
PROPOSITION 27

Vote YES on Proposition 27

Permanent Solutions for Homelessness, Mental Health, Addiction & Tribal Funding

Non-profit leaders, mayors, and California Tribes support Proposition 27 because it will provide hundreds of millions of dollars in permanent solutions to homelessness, mental health, and addiction in California. All funding will be subject to strict audits and oversight to ensure it is spent effectively.

Proposition 27 will also benefit every California Tribe – especially rural and economically disadvantaged Tribes who don’t own big casinos.

By taxing and regulating safe and responsible online sports betting for adults 21 and over, California can help solve homelessness and provide thousands of Californians mental health care and addiction treatment.

Proposition 27 provides the most solutions for California:

- Prop. 27 protects minors and strictly prevents those under 21 from betting.
- Prop. 27 requires mandatory audits to ensure homelessness and mental health funding is spent effectively.
- Prop. 27 is the only sports betting measure that will fund permanent homelessness and mental health solutions.
- Prop. 27 is the only measure that guarantees funding for disadvantaged Tribes.

Proposition 27 will fund hundreds of millions of dollars each year in shelter, housing, addiction treatment and mental health support for Californians who need it most.
ARGUMENT IN FAVOR OF
PROPOSITION 27

Ricardo Flores, non-profit leader and housing advocate, on why his organization supports Prop. 27:

“California’s homelessness crisis is a statewide emergency. Our state has never fully invested in permanent solutions to end homelessness. Prop. 27 allows organizations like mine to have an ongoing revenue source to fund desperately needed services: shelter, housing, and support. All with strict audits to ensure every dime is spent effectively. No other sports betting proposition will generate significant revenue for homelessness and mental health services.”

Tamera Kohler, CEO of San Diego’s Regional Task Force on Homelessness, on Prop. 27:

“One in six Californians experiences mental illness. It’s a crisis affecting nearly every family. Prop. 27 will help generate hundreds of millions of dollars every year to fund mental health treatment, and solutions to homelessness and addiction. By passing Prop. 27, we can give more people the care they need and the hope they deserve.”

Chairman Jose “Moke” Simon of Middletown Rancheria of Pomo Indians of California, on Prop. 27:

“My tribe has had so much taken away from us – our land, our ceremonies, our culture – and our sovereignty is constantly under attack. Unlike Tribes with large casinos, my Tribe struggles to provide basic needs for our people. Prop. 27 is the only proposition that helps disadvantaged Tribes like mine, and Prop. 27 is the only one that ensures every California Tribe benefits.
ARGUMENT IN FAVOR OF PROPOSITION 23

"Don’t believe the false attacks on Prop. 27. By taxing and regulating online sports betting for adults over 21, we can finally address homelessness in California while protecting tribal sovereignty."

Vote YES on Prop. 27 -- tax and regulate safe and responsible online sports betting, support California Tribes and finally do something to solve homelessness, mental health, and addiction in California.
