PROP 27 WAS WRITTEN AND PAID FOR BY OUT-OF-STATE ONLINE GAMBLING CORPORATIONS

Prop 27 is a deceptive scheme promoted by out-of-state corporations to legalize a massive expansion of online and mobile sports gambling in California. These corporations have contributed more than $100,000,000 to sell Prop 27. They aren't spending that money to help California. They are doing it to enrich themselves.

CALIFORNIA INDIAN TRIBES OVERWHELMINGLY OPPOSE PROP 27

More than 50 California Tribes strongly oppose Prop 27. It is a direct attack on tribal gaming and Indian self-reliance that would jeopardize funding tribal governments use for education, healthcare, fire protection and other vital services.

PROP 27 IS NOT A "SOLUTION" TO HOMELESSNESS

Decades ago, gaming companies passed the California Lottery with misleading promises of massive new revenues for schools. Now, out-of-state gambling corporations are using similar bait-and-switch tactics to promote Prop 27.

Prop 27 includes hidden loopholes that would give massive profits to its corporate sponsors, while leaving only a few pennies per dollar for California. Under Prop 27, 90% of the profits will go to out-of-state corporations and little if anything would go to public schools.
REBUTTAL TO ARGUMENT IN
FAVOR OF PROPOSITION 27

PROP 27 PROMOTERS HAVE A HISTORY OF BROKEN PROMISES AND BAD
ACTS

The corporate sponsors funding Prop 27 have been fined millions of dollars for allowing
underage gambling and marketing to children. In other states that have passed laws like
Prop 27, the big-money promises have failed to materialize. We can’t trust the false
promises of these out-of-state corporations.
