List of things that elections officials should keep in mind when planning/prepping for the November election:

- ❖ **County Elections Website**
  - ➢ Does it clearly explain all of **November's changes**?
  - ➢ Is there information on **accessible voting**?
    - ■ polling place/vote center accessibility?
    - ■ availability of assistance/right to bring someone for help?
    - ■ availability of accessible voting machines?
    - ■ availability of curbside voting?
  - ➢ is **RAVBM** easy to understand and access?
    - ■ has its own dedicated heading/web page?
    - ■ Dedicated page is easy to find on the website?
    - ■ explanation of how to request/mark/print?
    - ■ explanation of how (and deadline for) return?
    - ■ explanation of who is eligible (AB 860 → *all* voters)?
    - ■ DRC has a sample webpage
  - ➢ VCA Counties: up-to-date information/minutes re: **VAAC**?
    - ■ Virtually all counties with VAACs have outdated/missing info re: upcoming and past VAAC meetings. See JC's website survey for more detail.

- ❖ **PPE**
  - ➢ Does it impact/have a potential to impact accessibility?
    - ■ plastic barriers
    - ■ face-mask requirements/exceptions
    - ■ Need to update poll worker training on available accommodations/modifications.

- ❖ **Social/Physical Distancing**
  - ➢ How are social/physical distancing information communicated?
    - ■ Blind voters and those with low vision will not be able to understand signs or floor markings.

- Greeters should be available to provide in-line audible instructions, triage and provide accommodations.
➢ Chairs should be available for voters who need them.

❖ **Education and Outreach**

➢ VCA counties need to old workshop for voter with disabilities and LEP voters
➢ Traditional counties:
- Communicate changes to the public, what to do with VBM ballot if voting in-person etc.
- Provide targeted outreaches to voters with various disabilities
➢ Consolidated/Super-consolidated counties:
- Inform that Locations will be accessible
- Provide locations to public and accept comments, especially regarding accessibility to and from accessible public transit stops
