RE: Submission of Voter's Choice Act Election Administration Plan

Dear Ms. Grady:

Thank you for the submission of your election administration plan pursuant to the California Voter's Choice Act (VCA). In accordance to Section 4005 (a)(IO)(I)(i) of the Elections Code my office has to approve, approve with modifications, or reject the voter education and outreach provisions of the election administration plan.

I am writing to inform you that the Office of the Secretary of State has approved your election administration plan with the following modifications.

Please modify your plan with the following:

- Include a more specific breakdown of your budget that describes the expenses pertaining to outreach and education in comparison to recent election(s) for both the 2020 primary election and the 2020 general election.

Once you have completed this modification to your election administration plan, please submit it to our office, along with a copy in an accessible format to be posted on our website.

Upon review of feedback we have received, we encourage you to increase as much awareness in your language minority communities due to the lack of media availability to those communities in your county.

We commend you for your commitment to the success of the VCA in your county and the ongoing communication between our office and yours. Please do not hesitate to contact me with any questions and I look forward to continuing to work with your office for the implementation of the VCA.
