RE: Submission of Voter's Choice Act Election Administration Plan

Dear Mr. Williams:

Thank you for the submission of your election administration plan pursuant to the California Voter's Choice Act (VCA) . Pursuant to Section 4005 (a)(IO)(I)(i) of the Elections Code my office can approve, approve with modifications, or reject the voter education and outreach provisions of the election administration plan.

I am writing to inform you that the Office of the Secretary of State has approved your election administration plan with modifications.

Please modify your plan with the following:

- Please include a budget estimate description of how the county will spend resources on voter education and outreach for the upcoming primary and general in comparison to any recent similar elections.
- Please include a description on the use of television and radio for outreach to language minority communities and the availability of a vote by mail ballot in an accessible format or a description why they will not be used.

After you have made these modifications of your EAP please submit the final copy to me in an accessible format, which will be posted on our website.

Thank you and your staff for your leadership and commitment to increasing voter participation. Your office and Ms. Morrow have been very communicative with our team and we wish to continue to work together as we move forward to the 2020 elections. Do not hesitate to contact me with any questions.
