INTRODUCTION

OVERVIEW
In 2016 California codified a dramatic change in election law (S.B. 450) by adopting the Voters Choice Act (VCA). S.B. 450 authorized Madera County (and 13 other counties) to conduct any election by all mailed ballot with Vote Centers commencing in 2018. Counties not included in the 14 are authorized to adopt the VCA model in 2020. The Madera County Registrar of Voters (MCROV) adopted the VCA Model in 2018.

In 2002 state law was amended to allow voters to register as permanent vote-by-mail. Since then the number of vote-by-mail (VBM) has steadily grown to 67% of the County's registered voters as of the 2016 General Election.

The Madera County Registrar of Voters established both a Voting Accessibility Advisory Committee (VAAC) and a Language Accessibility Advisory Committee (LAAC) in September of 2017. These committees were established to provide important feedback to MCROV and will continue to be a fundamental component of election administration in Madera County.

The MCROV is required by the VCA to revise the Election Administration Plan (EAP) within the first two years. The plan is intended to be all encompassing; representing feedback from various stakeholders, interest groups and community members including our language and disability communities. In accordance with Election Code 4005(a)(10)(G) the MCROV is revising the Election Administration Plan for the 2020 Election cycle.

The MCROV has planned a public meeting to solicit public input regarding the draft revised plan. Additionally the LAAC and VAAC committees will be asked to provide input into the revision of this plan.

The public comment period for the draft revised administration plan will commence on August 16th and end August 30, 2019 at 5:00pm. A noticed public hearing will be conducted at 3:00pm on August 28, 2019, at the Madera County Government Center, located at 200 West Fourth Street, Madera, CA 93637, as required by law, to give the community the opportunity to comment publicly on the plan.

The EAP is intended to provide the necessary information to the voters of Madera County regarding the implementation of the VCA. As such, herein we describe the vote-by-mail (VBM) process, the proposed locations of Vote Centers and ballot drop off locations (BDOL), technology to be deployed and a description of our voter education and outreach plan.
**VOTE-BY-MAIL**

In accordance with the VCA, all registered voters will be mailed a ballot 29 days before the election with a **postage paid** envelope to return the ballot in. Voters may request a VBM ballot in a language other than English. Voters with disabilities, as well as overseas voters, military personnel and military spouses may take advantage of our Remote Accessible Vote-By-Mail System (RAVBM), which will allow qualified voters to access and mark their ballot in a screen-readable format on a personal computer.

**VOTE CENTER AND BALLOT DROP-OFF LOCATIONS**

The VCA establishes definitive criteria for the placement/location of vote centers and drop boxes. The law requires that Vote Centers and Ballot Dropoff locations be accessible to voters with disabilities, located near population centers, public transportation and near low-income and language minority communities.

Vote Center and Ballot Drop-off locations have been updated and will be reviewed with the VAAC and the LAAC. Additionally, Geographic Information System (GIS) mapping software, U.S. Census Data, voter history and any other readily available data were utilized to ensure locations are in optimal proximity to voters.

The plan, as currently written anticipates that the first two vote centers would be located in the communities of Madera and Oakhurst. Vote Centers 3 through 6 are anticipated to be in the communities of Chowchilla, Coarsegold, Madera and Madera Ranchos. It is in anticipated that Ballot Drop boxes will be located in the communities of Chowchilla, Madera, North Fork, Madera Ranchos and Oakhurst.

**Vote Centers:** Vote Centers will operate similar to polling places, allowing voters to cast their ballots in person, whether on paper or by utilizing an accessible ballot marking device. Unlike polling places, however voters can cast their ballots, or request and receive replacement ballots at any Vote Center countywide. Voters will also be able to register to vote or update their registration at any Vote Center. Voters who have not registered before the close of registration (14 days prior to the election), will be able to Conditionally Register to Vote (CVR) at any Vote Center and cast a provisional ballot through Election Day.

Vote Centers will have secure access to the County’s Election Management System (“EMS”), allowing Vote Center staff to verify, in real time, the voting status of each voter. Vote Centers will be equipped with up a minimum of 3 accessible ballot marking devices. All Vote Centers will be ADA-compliant, and Elections personnel will be on site to assist voters with specific needs.

Security and contingency plans will be in place to prevent disruption of voting, and to ensure that the election is properly conducted. When Vote Centers are not in operation, the site and equipment will be secured through tested and established security protocols such as tamper evident seals and secure storage facilities.
A sample Vote Center layout diagram is provided in the Addenda.

**VOTE CENTER FORMULA:** Vote Centers will open sequentially, with greater numbers of Vote Centers in operation as the election draws nearer. The first two Vote Centers will open 10 days before the election, and four additional Vote Centers will be in full operation beginning the third day before the election.

The VCA has established the following formula for determining the number of Vote Centers throughout the County. These numbers are based on an estimate of 58,000 registered voters for the March 2020 Election:

<table>
<thead>
<tr>
<th>Days before election day</th>
<th>Number of Registered Voters per Vote Center</th>
<th>Number of Vote Centers</th>
</tr>
</thead>
<tbody>
<tr>
<td>10</td>
<td>50,000</td>
<td>2</td>
</tr>
<tr>
<td>3</td>
<td>10,000</td>
<td>6</td>
</tr>
</tbody>
</table>

All Vote Centers will be open from 8am to 5pm starting 10 days before the Election, including weekends and holidays, and open from 7:00 a.m. to 8:00 p.m. on Election Day.

Each Vote Center will be staffed by no less than five election workers. The County will recruit at least one Spanish-speaking election worker in each Vote Center to provide language assistance. Additionally, the County will make a good faith effort to recruit election workers who speak Punjabi in accordance with the most recent EC Section 14201 requirements.

**BALLOT DROP-OFF BOXES:** At least one Ballot Drop-off box is required for every 15,000 registered voters in the County. However, the MCROV plans to have 5 to 7 drop boxes available for the 2020 Election cycle. These Ballot Drop-off boxes will be available no less than 28 days before Election Day and open during regular business hours. Several of the Madera County ballot drop boxes will be drive up accessible and will be open 24 hours per day until 8:00pm on Election Day.

A list of proposed Vote Center and Ballot Drop-off locations, along with Vote Center and Ballot Drop-off location maps, are included in the Addenda.

**VOTING TECHNOLOGY**

The MCROV will deploy the Image Cast Voting System (ICVS) from Dominion Voting Systems (DVS) for the 2020 election cycle. The ICVS deployment will include a minimum of 3 Image Cast X (ICX) accessible ballot marking devices at each center as well as a Mobile Ballot Printing (MBP) module that will allow MCROV to print ballots on demand in all required languages at all Vote Centers. Additionally, MCROV will deploy the DVS Remote Accessible Vote-By-Mail system for those who request an accessible VBM ballot. The ICVS will also include new state of the art scanners with image capturing and audit-mark capabilities.
Additionally, at each Vote Center a network of personal computers will be linked to the MCROV Election Information Management System (EIMS) through a secure connection. EIMS is connected to the voter registration administered by the State of California (VoteCal). This will provide access to voter registration data, enabling Vote Center staff to determine the registration and voter status of every voter in real time.

**FISCAL IMPACT**
The fiscal impact of the 2020 Election cycle is not completely known at this. Based on the experienced gained in 2018 the MCROV intends to hire more vote center workers, open more drop boxes, increase capacity at vote centers and purchase additional voting equipment. This is being done in an attempt to lessen delays on the last day of the election. The costs associated with these additional improvements have not been fully calculated but it is estimated that the 2020 Election cycle will cost significantly more than the 2018 cycle, which is typical for a Presidential Election.

**CONCLUSION**
The California Voter’s Choice Act is the most significant improvement to the voting process in the history of California. The new election model has had a positive impact on voter participation, provided greater accessibility to voters with disabilities, improved our voting systems and technology, and strengthened our elections infrastructure security. Additional improvements planned for 2020 will build on the success of 2018 and further improve the voting process in Madera County.

The Madera County Registrar of Voters Office is excited about the numerous improvements in store for Madera County Voters. We look forward to continuing to provide accurate, transparent and fair elections that Madera County voters can have full confidence in.
SECTION 1 - VOTER EDUCATION AND OUTREACH PLAN

General Requirements

1-A Use of the media, including social media, newspapers, radio, and television for purposes of informing voters of the availability of a vote-by-mail ballot in an accessible format and the process for requesting such a ballot.
§4005(a)(10)(I)(i)(II), §4005(a)(10)(I)(i)(VIII)

MCROV will provide information about obtaining a VBM ballot in an accessible format and the process for requesting such a ballot utilizing all the outlets and methods described in Section 1 - B of this document, in addition to the following:

1) Local television (Stations to be determined)*
2) Newspapers (Adjudicated Newspapers of General Circulation in Madera County: Madera Tribune, Sierra Star, Chowchilla News)
3) Radio (Stations to be determined)*
4) Social Media and Department Website (@MaderaElections, @MaderaCounty)
5) Outreach to such groups as community partners, disability advocate organizations, elected officials, special districts, school districts, community based organizations, faith-based organizations, and Public Information Officers. A list of groups/organizations/agencies that the Registrar’s Office has already contacted and partnered with or has scheduled to do so can be found in Appendix G.

7) Media Availability Sessions
8) County Departments (such as Health and Human Services, Human Assistance, Veteran Services)
9) Public Service Announcements, broadly distributed to all outlets serving the County

*Madera County does not have local television/radio stations that serve primarily Madera County residents. Rather, Madera County residents are served by regional television/radio stations most of which are located in Fresno, CA and serve the greater central valley region. Madera County will reach out to the regional television/radio stations however the largest County in the region, Fresno, is implementing the Voter’s Choice Act for the 2020 Election cycle and Madera County is hopeful that any media outreach Fresno County conducts will include Madera County.

To mitigate this limitation, the Madera County Registrar’s Office has initiated an intense grass roots effort to educate voters, as suggested by stakeholders during our VAAC, LAAC and Community Election Working Group meetings. Stakeholders have indicated that voters in their communities are most likely to respond to outreach efforts conducted through local organizations, groups and agencies...
with whom they already have existing relationships with. Accordingly, the Registrar’s Office plans to conduct presentations with community partners. The list of presentations or scheduled presentations can be found in Appendix G. The Registrar’s website will have a similar list that will be updated regularly, affording interested parties the opportunity to choose when and where they can participate.

The information to be provided will include the option to use an accessible voting device at any Vote Center, and how to use the device; and, the method for requesting, marking and submitting an accessible ballot through the County's Remote Accessible Vote-by-mail (RAVBM) program.

1-B **Community Presence To Educate Voters On The Voter's Choice Act**

§4005(a)(10)(I)(i)(III)

MCROV's community presence will provide Vote Center Model information directly to the voters and attendees of a wide variety of events. MCROV's goal is to coordinate with our community partners, and the LAAC and VAAC to identify opportunities to educate our voters, offer demonstrations of the voting equipment, and explain how to request and obtain an accessible ballot. MCROV will make every effort to reach all areas of the County. Voters will have many opportunities to learn about the Vote Center Model and their voting options including, but not limited to, the following:

1) Department's VAAC and LAAC
   a. Meetings include voting system demonstrations and informational updates
   b. Materials development with VAAC and LAAC members, and presented for distribution within their communities

2) Presentations to various audiences:
   a. Neighborhood associations
   b. County Board of Supervisors
   c. City Disability Advisory Committee
   d. City Councils and City Clerks
   e. Elected Official’s Town Halls
   f. School District Boards
   g. Special Districts Boards
   h. County Central Committees and Political Committees
   i. Faith-based communities
   j. Language communities
   k. Philanthropic organizations (such as Soroptimist, Rotary, Kiwanis,)
   l. Madera County Public Libraries

A list of past and scheduled events where Voter’s Choice Act information will be shared publicly can be found in Appendix G
1-C  **Use Of Resources For Voter Education And Outreach.**
§4005(a)(10)(I)(i)(VII)

MCROV will spend the necessary resources to ensure voters are informed about the Vote Center model voting process. The budget information for the March 2020 election along with a comparison of the education and outreach budgets from past years is shown in Appendix E.

1-D  **Direct contacts with voters providing information on the upcoming election and promoting the toll-free voter assistance hotline.**
§4005(a)(10)(I)(i)(X)

MCROV will contact each Madera County registered voter a minimum of two times, by mail, to provide information on the upcoming election and the availability of MCROV's toll-free assistance hotline. The two direct contacts will include information about an all mail ballot election, ballot drop off locations, dates and hours of availability, vote center locations, dates and hours of availability, information about the availability of the Remote Accessible Vote By Mail System and additional information about the upcoming election.

1-E  **Postage-paid postcard for requesting materials in an alternate language or an accessible format VBM**
§4005(a)(8)(B)(iii)

All registered voters will receive a postage-paid postcard with their bilingual County Voter Information Guide for requesting materials in languages other than English and to request a VBM ballot in an alternate format. Instructions will be included in the Guide and on the MCROV website for completing and returning the postcard.

MCROV's website ([www.votemadera.com](http://www.votemadera.com)) has a page dedicated to information about the Voter’s Choice Act. Information is in accessible formats (when possible) and is publicly available. This includes the Election Administration Plan and other information related to the Voter's Choice Act, including scheduled public presentations, developed infographics, public notices, digital versions of collateral used to educate the public and LAAC/VAAC agendas, minutes and information. The website also information about registering to vote and getting involved in the election process, including working at a vote centers. Additional information found on the website is addressed in the appropriate sections of this plan.
EDUCATION AND OUTREACH WITH THE LANGUAGE MINORITY COMMUNITIES
§4005(a)(10)(i)(i)(I)

MCROV established a Language Accessibility Advisory Committee (LAAC) in September 2017 to advise and assist with implementation of federal and state laws relating to access to the electoral process by non-English preference voters. The LAAC is comprised of local residents who advocate on behalf of the County's minority language communities.

1-F Inform Voters Of The Upcoming Election And Promote The Toll-Free Voter Assistance Hotline With Media Serving Language Minority Communities
§4005(a)(10)(i)(i)(I)

Information sharing with language minority communities, including information about the Vote Center Model, voting options, and toll-free access hotline for assistance will be conducted to include:

1) Television (Stations to be determined)*
2) Newspapers (Adjudicated Newspapers of General Circulation in Madera County: Madera Tribune, Sierra Star, Chowchilla News)
3) Radio (Stations to be determined)*
4) Social Media and Department's Website (@MaderaElections, @MaderaCounty)
5) Materials sharing with such groups as community partners, elected officials for their newsletters, cities, special districts, school districts, community based organizations, faith-based organizations, and Public Information Officers
6) Media Availability Sessions
7) Public Service Announcements, broadly distributed to outlets serving the County
8) County Departments (such as Health and Human Services, Human Assistance, Veteran Services, Probation, and Child Support Services)

*Madera County does not have local television/radio stations that serve primarily Madera County residents. Rather, Madera County residents are served by regional television/radio stations most of which are located in Fresno, CA and serve the greater central valley region. Madera County will reach out to the regional television/radio stations however the largest County in the region, Fresno, is implementing the Voter’s Choice Act for the 2020 Election cycle and Madera County is hopeful that any media outreach Fresno County conducts will include Madera County.

To mitigate this limitation, the Madera County Registrar’s Office has initiated an intense grass roots effort to educate voters, as suggested by stakeholders during our VAAC, LAAC and Community Election Working Group meetings. Stakeholders have indicated that voters in their communities are most likely to respond to outreach efforts conducted through local organizations, groups and agencies with whom they already have existing relationships with. Accordingly, the Registrar’s Office plans to conduct presentations with community partners. The
list of presentations or scheduled presentations can be found in Appendix G. The Registrar’s website will have a similar list that will be updated regularly, affording interested parties the opportunity to choose when and where they can participate.

The specific media outlets that will be utilized for outreach to the non-english preference voters has yet to be determined. The determination will be made in consultation with the Language Accessibility Advisory Committee based on available resources, media audiences and experience.

Additionally, Madera County will coordinate with the Secretary of State’s Office on targeted television PSA’s for distribution to Cable and Satellite Television providers. It is expected that these PSA’s will only reach Madera County audiences. This method will allow the use of television media while minimizing, to the greatest extent possible, voter confusion.

Madera County, in accordance with Election Code 14201, will provide language services, including voteable ballots in the Punjabi language, in select precincts, for the 2020 Election cycle.

1-G Identifying Language Minority Voters
§4005(a)(10)(I)(i)(V)

MCROV uses the voter's language preference selection shown on their voter registration form to identify language minority voters. Voters may also contact us by telephone or email to update their language preference or provide their language preference to precinct officials during an election. Additionally, most voter information produced by the Registrar is printed in both English and Spanish.

1-H Voter Education Workshop For Minority Language Voters
4005(a)(10)(I)(i)(VI), §4005(a)(10)(I)(i)(VI)(ia)

MCROV will hold a bilingual voter education workshop for each of Madera County's federal and state required languages. At the time of preparing this plan Madera’s required languages, other than English are Spanish and Punjabi.

These workshops will be held in early 2020 and will provide an opportunity for the County's language communities to receive information about materials and assistance available in the specified language, in addition to the Vote Center Model voting process. All workshops will have language specific interpreters to assist attendees. Information about workshop events will be announced at least 10 days in advance of the meeting date.
Collateral to be used during workshops is still being developed at this time. As it becomes available, it will be available on the MCROV website, www.votemadera.com.

1-I Public Service Announcement for Minority Language Citizens
§4005(a)(10)(I)(i)(IX)
MCROV will use Public Service Announcements to inform voters in minority language communities of the upcoming election and the toll-free assistance hotline. The PSAs will be distributed through minority language television, radio, and newspapers.

EDUCATION AND OUTREACH WITH THE DISABILITY COMMUNITIES

MCROV established a Voting Accessibility Advisory Committee (VAAC) in September 2017 to advise and assist with access to the electoral process by voters with disabilities. The VAAC is comprised of local residents who advocate on behalf of the disability community.

1-J Website has publicly available accessible information
§4005(a)(10)(I)(i)(IV)
Information on the MCROV’s website (www.votemadera.com) is in accessible formats and is publicly available. This includes the Election Administration Plan and other information related to the Voter's Choice Act, as well as information about registering to vote and getting involved in the election process. Election specific information is also available on the website in an accessible format.

The information to be provided will include the following:
1) All voters will receive a vote-by-mail (VBM) ballot
2) The option to use an accessible voting device at any Vote Center, and how to use the device
3) The method for requesting, marking and submitting an accessible ballot through the County’s Remote Accessible Vote-by-mail (RAVBM) program.

1-K A description of how the county elections official will educate and communicate the provisions of this section to the public, including: The disability community, including organizations and individuals that advocate on behalf of, or provide services to, individuals with disabilities. The county elections official shall hold at least one voter education workshop to increase accessibility and participation of eligible voters with disabilities.
Information sharing with the disability community, including information about the Vote Center Model, voting options (including RAVBM), and toll-free access hotline for assistance will be conducted to include:

1. Television (Stations to be determined)*
2. Newspapers (Adjudicated Newspapers of General Circulation in Madera County: Madera Tribune, Sierra Star, Chowchilla News)
3. Radio (Stations to be determined)*
4. Social Media and Department's Website (@MaderaElections, @MaderaCounty)
5. Materials sharing with such groups as community partners, elected officials for their newsletters, cities, special districts, school districts, community based organizations, faith-based organizations, and Public Information Officers
6. Media Availability Sessions
7. Public Service Announcements, broadly distributed to outlets serving the County (County Departments (such as Health and Human Services, Human Assistance, Veteran Services, Probation, and Child Support Services). When applicable, PSA’s will be accessible for the visually impaired and/or hard of hearing voters.

*Madera County does not have local television/radio stations that serve primarily Madera County residents. Rather, Madera County residents are served by regional television/radio stations most of which are located in Fresno, CA and serve the greater central valley region. Madera County will reach out to the regional television/radio stations however the largest County in the region, Fresno, is implementing the Voter’s Choice Act for the 2020 Election cycle and Madera County is hopeful that any media outreach Fresno County conducts will include Madera County.

It is expected that these PSA’s will only reach Madera County audiences. This method will allow the use of television media while minimizing, to the greatest extent possible, voter confusion.
MCROV will hold a voter education workshop in early 2020 to increase accessibility and participation of eligible voters with disabilities. The workshop will include, but not be limited to, education about the Vote Center Model, new voting equipment demonstrations, the accessibility of the voting equipment, ballot drop-off information, and options for obtaining an accessible vote-by-mail ballot electronically. Information about the workshop will be announced at least 10 days in advance of the meeting date.
SECTION 2 - ELECTION ADMINISTRATION PLAN - VOTE CENTER MODEL

GENERAL

2-A  Toll-Free Phone Access
§4005(a)(10)(I)(vii)

MCROV offers toll-free phone support during all business hours. Staff is available to assist callers in federal/state required languages.

Toll-free hotline (800) 435-0509

BALLOT ACCESS

2-B  Access To A VBM Ballot By Voters With Disabilities
§4005(a)(10)(I)(ii)

Receiving A Vote-By-Mail (VBM) Ballot By Mail
All Madera County registered voters receive a VBM ballot packet by mail for each election. The enclosed ballot can be marked and returned in the identification envelope included with the VBM packet. The return envelope is clearly marked to indicate that postage is paid. Voters will not be required to affix any postage to the return envelope.

Requesting An Accessible Ballot - Vote Centers
All Madera County registered voters can use one of the three accessible ballot marking devices at any Vote Center. Voters check in, request an accessible ballot and are provided with a key card that populates the accessible device with their ballot. The ballot can be marked using the touch screen display, provided audio tactile device, or their own assistive technology. The accessible voting machines will be arranged to allow all voters the opportunity to cast their ballot privately and independently.

Requesting A Remote Accessible VBM Ballot
Madera County registered voters with disabilities may opt for an accessible ballot through a Remote Accessible Vote-By-Mail (RAVBM) system. RAVBM provides voters with disabilities the ability to request a VBM ballot be sent electronically. The electronic ballot can be downloaded to the voter's computer, marked using the voter's own assistive technology and then printed. This ballot can be returned in the same manner as any VBM ballot: through the mail, placed in a Drop Box, or at any Vote Center. MCROV is currently exploring options for procuring a California certified Remote Accessible Vote-By-Mail system. Once the system is procured, instructions will be
developed, in accordance with the respective use procedures, and shared on the County website, in educational materials and during public meetings.

**Requesting A Replacement Ballot**
Any voter may request a replacement ballot by telephone at (800) 435-0509 or (559) 675-7720, by faxing a request to (559) 675-7870, by appearing at a Vote Center, or through the RAVBM system.

**VOTE CENTER ESSENTIALS**

**2-C Security Of The Voting Process At Vote Centers**

**Secure Vote Center Voting**
§4005(a)(10)(I)(iv)

All voting conducted at a Vote Center follows the Secretary of State's security standards, MCROV's security procedures, regulations in the California Elections Code and the California Voting System Use Procedures. This includes, but is not limited to ensuring all equipment at the Vote Center is sealed, delivered, stored and used in compliance with these regulations. In addition, our current procedures require that at least two election workers be present when the site is open.

**Security and Contingency Plans**
§4005(a)(10)(I)(iv)(VIII)

**Preventing Disruption, Continuing Vote Center Operations**

All staff, including those working the Vote Centers, and those providing technical and compliance support, will attend extensive training on the operation of the voting equipment, setting up a Vote Center, assisting and processing voters, securing sensitive equipment each night, and the proper procedures in case of an emergency.

Under California voting system requirements, all certified equipment must run on battery power in the event of a power outage. All locations will have a cell phone. County Sheriff and local Police jurisdictions will receive a list of all Vote Center locations. Each Vote Center will be provided with a binder for emergency procedures and be provided with an instruction manual for the operation of a Vote Center and processing voters during an emergency situation.
MCROV will immediately work to resolve a disruption at a polling site and each disruption will have its own response. Generally, if a single Vote Center is disrupted, MCROV will immediately have the staff redirect voters to other Vote Centers and will inform local police, the Secretary of State’s office, and provide media updates to ensure voters are informed. If there is a natural disaster or other disturbance occurs that affects a Vote Center or ballot drop-off site’s physical location, additional notifications, signage and staff will be available to direct voters to an alternate location. Should all activities at a Vote Center be ceased, staff will immediately secure that Vote Center’s voting equipment and account for all voting materials in accordance with California Election Code and the Ballot Manufacturing and Finishing guidelines. MCROV will attempt to open a replacement Vote Center and widely disseminate information to the public about the change.

2-D **Vote Centers: Number To Be Established, Locations, And Hours Of Operations To the Extent Available At The Time Of Publication**

§4005(a)(10)(I)(vi)

**The Total Number Of Vote Centers To Be Established.**

§4005(a)(10)(I)(vi)(I)

Based on 58,085 registered voters MCROV will establish a minimum of 2 Vote Centers open for ten days prior to and election day and an additional 4 vote centers open for 3 days prior to and election day.

MCROV continues to evaluate the need for a mobile vote center. Both the feasibility and practicality of deploying a mobile vote center are currently under review.

**The Location and Hours Of Each Vote Center**

MCROV is working throughout the community to identify Vote Center and Drop Box locations that meet the criteria listed in Section 4005(a)(10)(B) using data collected from the 2010 decennial Census, the American Community Survey, and the current MCROV registration file.

The process of establishing locations continues at the time of publication of this Plan. MCROV’s goal is to locate Vote Centers in well-known, fully accessible facilities. All Vote Centers will be open continuously for a minimum of 8 hours per day and from 7 a.m. to 8 p.m. on Election Day. Based on available information at the time it is anticipated that Vote Centers will be located in the following areas: City of Madera (2), City of Chowchilla, Oakhurst, Coarsegold and the Madera Ranchos area. The location and hours of each Vote Center will be listed in Appendix A, which will be updated as
locations are confirmed for each election. The list will be included in election materials provided to each registered voter.

The most current information about Vote Center locations and hours can be found in Appendix A.

2-E **Staffing Vote Centers:**
§4005(a)(10)(I)(vi)(IX)

MCROV anticipates a minimum of five staff at each Vote Center.

2-F **Services for Voters with Disabilities**
§4005(a)(10)(I)(vi)(X)

Each Vote Center will have a minimum of 3 fully accessible touch screen voting devices. These devices are certified by the Secretary of State for use in California elections and allow each voter to mark their ballot independently and privately. Additionally, Vote Center staff will receive training on setting up the equipment, assisting voters with the equipment including voters with disabilities, trouble-shooting issues with the equipment and the proper storage of the equipment.

Additionally, MCROV will procure specialized training, using a train-the-trainer approach, specifically for providing services to voters with disabilities. MCROV plans to utilize an organization that advocates on behalf of, or provide services to, individuals with disabilities to provide the specialized training.

2-G **Design and Layout of Vote Centers**
§4005(a)(10)(I)(vi)(XI)

Layout guidelines will be used to ensure voting booths and accessible ballot marking devices are placed in a manner that allows a voter mark their ballot independently and privately. Layouts will be sensitive to accessibility needs of voters, and will be adjusted to accommodate the varying shapes and room sizes of each location. See Appendix B for sample layouts.

**BALLOT DROP BOX ESSENTIALS**

2-H **Ballot Drop Boxes: Number To Be Established, Locations, And Hours Of Operations To the Extent Available At The Time Of Publication**
§4005(a)(10)(I)(vi)

*The Total Number Of Drop Boxes To Be Established*
§4005(a)(10)(I)(vi)(III)
Based on 58,085 registered voters MCROV is required to establish 4 ballot drop boxes, however current plans are to establish a minimum of 5 ballot Drop Box locations, one more than required by law. These locations will open 28 days prior to and through Election Day.

*The Location and Hours of Operation Of Each Ballot Drop Box*

MCROV has partnered with the community to locate drop boxes in well-known, fully accessible facilities. The list of Drop Boxes and their hours of operation are shown in Appendix C, which has been revised. This list will be included in election materials provided to each voter.

The Registrar of Voters office will provide a minimum of three Drop Boxes that are available 24 hours a day until 8:00pm on Election Day. The complete list of locations and hours can be found in Appendix C which will be updated as necessary.

**VOTE CENTER AND DROP BOX LOCATION MAPS**

2-I *Location Maps*

§4005(a)(10)(I)(vi)(V)

Maps showing the location of Vote Centers and ballot Drop Boxes are shown in Appendix D. These maps will be updated as necessary.

**ADDITIONAL CONSIDERATIONS**

2-J *Estimated Costs And Savings Under This Plan*

§4005(a)(10)(I)(v), §4005(g)(2)

Estimated costs and savings related to the Voter’s Choice Act are shown in Appendix E. MCROV expects the the Voter's Choice Act to result in cost savings related to the need to replace voting equipment while anticipating cost increases to comply with significant expanded requirements for community and voter engagement.

2-K *After Election Activities*
Address Significant Disparities In Voter Accessibility And Participation, As Required By Subdivision (g) 
§4005(a)(10)(I)(iii)

Following each election conducted under the Voter's Choice Act, MCROV will review comments received from voters and will solicit input from community partners on data collected in compliance with Section 4005(g). MCROV will make reasonable efforts to address significant disparities identified on an item by item basis.

Assistance To The SOS With Report To The Legislature 
§4005(g)(1)(A)

Provide Election Statistics To
MCROV will provide statistical data to the Secretary of State, including the information listed in Section 4005(g).
