Learn how the California Voter’s Choice Act will make it easier for how, when and where you cast a ballot. Starting in 2018, all registered voters in Sacramento County will receive their ballot in the mail a few weeks before the election. Most neighborhood polling places will no longer be used for voting. Instead you will have 3 choices for how to vote.

VOTE BY MAIL: You can mail your ballot as soon as you receive it.

BALLOT DROPBOX: You can drop off your ballot at any secure Ballot Dropbox as soon as you receive it. No postage is required at Ballot Dropboxes.

VOTE CENTER: You can vote in person by visiting any vote center in your county. All Vote Centers will be open for at least 4 days: from Saturday, June 2 through Tuesday, June 5. Some Vote Centers will be open for 11 days starting Saturday, May 26. At every vote center you can:

- Vote in Person.
- Register and vote the same day, all the way up through Election Day.
- Drop off you complete Ballot.
- Vote with an accessible voting machine.
- Get help and voting materials in multiple languages
