24 or is modified to meet the requirements of this sec-  
25 tion.

1           (2) PROTECTION OF PAPER BALLOT VOTING  
2           SYSTEMS.—For purposes of subsection (a)(1)(A)(i),  
3           the term “verify” may not be defined in a manner  
4           that makes it impossible for a paper ballot voting  
5           system to meet the requirements of such subsection  
6           or to be modified to meet such requirements.

7           (d) EFFECTIVE DATE.—Each State and jurisdiction  
8           shall be required to comply with the requirements of this  
9           section on and after January 1, 2006.

10 **SEC. 302. PROVISIONAL VOTING AND VOTING INFORMA-**  
11 **TION REQUIREMENTS.**

12           (a) PROVISIONAL VOTING REQUIREMENTS.—If an  
13           individual declares that such individual is a registered  
14           voter in the jurisdiction in which the individual desires to  
15           vote and that the individual is eligible to vote in an election  
16           for Federal office, but the name of the individual does not  
17           appear on the official list of eligible voters for the polling  
18           place or an election official asserts that the individual is  
19           not eligible to vote, such individual shall be permitted to  
20           cast a provisional ballot as follows:

21           (1) An election official at the polling place shall  
22           notify the individual that the individual may cast a  
23           provisional ballot in that election.

24           (2) The individual shall be permitted to cast a  
25           provisional ballot at that polling place upon the exe-

1        cution of a written affirmation by the individual be-  
2        fore an election official at the polling place stating  
3        that the individual is—

4                (A) a registered voter in the jurisdiction in  
5                which the individual desires to vote; and

6                (B) eligible to vote in that election.

7                (3) An election official at the polling place shall  
8        transmit the ballot cast by the individual or the  
9        voter information contained in the written affirma-  
10       tion executed by the individual under paragraph (2)  
11       to an appropriate State or local election official for  
12       prompt verification under paragraph (4).

13               (4) If the appropriate State or local election of-  
14       ficial to whom the ballot or voter information is  
15       transmitted under paragraph (3) determines that  
16       the individual is eligible under State law to vote, the  
17       individual's provisional ballot shall be counted as a  
18       vote in that election in accordance with State law.

19               (5)(A) At the time that an individual casts a  
20       provisional ballot, the appropriate State or local elec-  
21       tion official shall give the individual written informa-  
22       tion that states that any individual who casts a pro-  
23       visional ballot will be able to ascertain under the sys-  
24       tem established under subparagraph (B) whether the

1 vote was counted, and, if the vote was not counted,  
2 the reason that the vote was not counted.

3 (B) The appropriate State or local election offi-  
4 cial shall establish a free access system (such as a  
5 toll-free telephone number or an Internet website)  
6 that any individual who casts a provisional ballot  
7 may access to discover whether the vote of that indi-  
8 vidual was counted, and, if the vote was not counted,  
9 the reason that the vote was not counted.

10 States described in section 4(b) of the National Voter Reg-  
11 istration Act of 1993 (42 U.S.C. 1973gg-2(b)) may meet  
12 the requirements of this subsection using voter registra-  
13 tion procedures established under applicable State law.  
14 The appropriate State or local official shall establish and  
15 maintain reasonable procedures necessary to protect the  
16 security, confidentiality, and integrity of personal informa-  
17 tion collected, stored, or otherwise used by the free access  
18 system established under paragraph (5)(B). Access to in-  
19 formation about an individual provisional ballot shall be  
20 restricted to the individual who cast the ballot.

21 (b) VOTING INFORMATION REQUIREMENTS.—

22 (1) PUBLIC POSTING ON ELECTION DAY.—The  
23 appropriate State or local election official shall cause  
24 voting information to be publicly posted at each poll-

19       tions on how to contact the appropriate officials  
20       if these rights are alleged to have been violated;  
21       and

22              (F) general information on Federal and  
23       State laws regarding prohibitions on acts of  
24       fraud and misrepresentation.

1 (c) VOTERS WHO VOTE AFTER THE POLLS CLOSE.—

2 Any individual who votes in an election for Federal office

5 tion information of every legally registered voter  
6 in the State and assigns a unique identifier to  
7 each legally registered voter in the State (in  
8 this subsection referred to as the “computerized  
9 list”), and includes the following:

10 (i) The computerized list shall serve  
11 as the single system for storing and man-

13 throughout the State.

14 (ii) The computerized list contains the  
15 name and registration information of every  
16 legally registered voter in the State.

17 (iii) Under the computerized list, a

19 registered voter in the State.

20 (iv) The computerized list shall be co-

14 (viii) The computerized list shall serve  
15 as the official voter registration list for the  
16 conduct of all elections for Federal office  
17 in the State.

18 (B) EXCEPTION.—The requirement under  
19 subparagraph (A) shall not apply to a State in

22 Act, there is no voter registration requirement  
23 for individuals in the State with respect to elec-  
24 tions for Federal office.

25 (2) COMPUTERIZED LIST MAINTENANCE.—

1 (A) IN GENERAL.—The appropriate State  
2 or local election official shall perform list main-  
3 tenance with respect to the computerized list on  
4 a regular basis as follows:

5 (i) If an individual is to be removed  
6 from the computerized list, such individual  
7 shall be removed in accordance with the  
8 provisions of the National Voter Registra-

11 (d), and (e) of section 8 of such Act (42  
12 U.S.C. 1973gg–6).

13 (ii) For purposes of removing names  
14 of ineligible voters from the official list of  
15 eligible voters—

16 (I) under section 8(a)(3)(B) of  
17 such Act (42 U.S.C. 1973gg–  
18 6(a)(3)(B)), the State shall coordinate  
19 the computerized list with State agen-

21 (II) by reason of the death of the  
22 registrant under section 8(a)(4)(A) of  
23 such Act (42 U.S.C. 1973gg–  
24 6(a)(4)(A)), the State shall coordinate

1 the computerized list with State agen-  
2 cy records on death.

3 (iii) Notwithstanding the preceding

5 is described in section 4(b) of the National  
6 Voter Registration Act of 1993 (42 U.S.C.  
7 1973gg-2(b)), that State shall remove the  
8 names of ineligible voters from the comput-  
9 erized list in accordance with State law.

10 (B) CONDUCT.—The list maintenance per-  
11 formed under subparagraph (A) shall be con-  
12 ducted in a manner that ensures that—

13 (i) the name of each registered voter

15 (ii) only voters who are not registered  
16 or who are not eligible to vote are removed  
17 from the computerized list; and

18 (iii) duplicate names are eliminated  
19 from the computerized list.

20 (3) TECHNOLOGICAL SECURITY OF COMPUTER-

23 ures to prevent the unauthorized access to the com-  
24 puterized list established under this section.

1           (4) MINIMUM STANDARD FOR ACCURACY OF

3 election system shall include provisions to ensure  
4 that voter registration records in the State are accu-

6 lowing:

7           (A) A system of file maintenance that  
8 makes a reasonable effort to remove registrants  
9 who are ineligible to vote from the official list  
10 of eligible voters. Under such system, consistent  
11 with the National Voter Registration Act of  
12 1993 (42 U.S.C. 1973gg et seq.), registrants  
13 who have not responded to a notice and who  
14 have not voted in 2 consecutive general elec-

2 in clause (ii), notwithstanding any other  
3 provision of law, an application for voter  
4 registration for an election for Federal of-

6 a State unless the application includes—

7 (I) in the case of an applicant  
8 who has been issued a current and  
9 valid driver’s license, the applicant’s  
10 driver’s license number; or

11 (II) in the case of any other ap-  
12 plicant (other than an applicant to  
13 whom clause (ii) applies), the last 4

15 number.

16 (ii) SPECIAL RULE FOR APPLICANTS  
17 WITHOUT DRIVER’S LICENSE OR SOCIAL  
18 SECURITY NUMBER.—If an applicant for  
19 voter registration for an election for Fed-  
20 eral office has not been issued a current  
21 and valid driver’s license or a social secu-  
22 rity number, the State shall assign the ap-  
23 plicant a number which will serve to iden-  
24 tify the applicant for voter registration  
25 purposes. To the extent that the State has

1 a computerized list in effect under this  
2 subsection and the list assigns unique iden-  
3 tifying numbers to registrants, the number  
4 assigned under this clause shall be the  
5 unique identifying number assigned under  
6 the list.

7 (iii) DETERMINATION OF VALIDITY OF  
8 NUMBERS PROVIDED.—The State shall de-  
9 termine whether the information provided  
10 by an individual is sufficient to meet the

19 enter into an agreement to match informa-  
20 tion in the database of the statewide voter  
21 registration system with information in the  
22 database of the motor vehicle authority to  
23 the extent required to enable each such of-  
24 ficial to verify the accuracy of the informa-

1                   tion provided on applications for voter reg-  
2                   istration.

3                   (ii) AGREEMENTS WITH COMMIS-  
4                   SIONER OF SOCIAL SECURITY.—The offi-  
5                   cial responsible for the State motor vehicle  
6                   authority shall enter into an agreement

13                  the following new paragraph:

14                  “(8)(A) The Commissioner of Social Security shall,

17                  Act of 2002—

18                         “(i) enter into an agreement with such official  
19                         for the purpose of verifying applicable information,  
20                         so long as the requirements of subparagraphs (A)  
21                         and (B) of paragraph (3) are met; and

22                         “(ii) include in such agreement safeguards to  
23                         assure the maintenance of the confidentiality of any  
24                         applicable information disclosed and procedures to

1 permit such agency to use the applicable information  
2 for the purpose of maintaining its records.

3 “(B) Information provided pursuant to an agreement  
4 under this paragraph shall be provided at such time, in  
5 such place, and in such manner as the Commissioner de-  
6 termines appropriate.

7 “(C) The Commissioner shall develop methods to ver-  
8 ify the accuracy of information provided by the agency  
9 with respect to applications for voter registration, for  
10 whom the last 4 digits of a social security number are pro-  
11 vided instead of a driver’s license number.

12 “(D) For purposes of this paragraph—

13 “(i) the term ‘applicable information’ means in-  
14 formation regarding whether—

15 “(I) the name (including the first name

2           means the State agency which issues driver’s li-  
3           censes to individuals within the State and maintains  
4           records relating to such licensure.

5           “(E) Nothing in this paragraph may be construed to  
6           require the provision of applicable information with regard  
7           to a request for a record of an individual if the Commis-  
8           sioner determines there are exceptional circumstances  
9           warranting an exception (such as safety of the individual  
10          or interference with an investigation).

11          “(F) Applicable information provided by the Commis-  
12          sion pursuant to an agreement under this paragraph or  
13          by an individual to any agency that has entered into an  
14          agreement under this paragraph shall be considered as  
15          strictly confidential and shall be used only for the pur-  
16          poses described in this paragraph and for carrying out an  
17          agreement under this paragraph. Any officer or employee  
18          or former officer or employee of a State, or any officer  
19          or employee or former officer or employee of a contractor  
20          of a State who, without the written authority of the Com-
