Gentlemen:

This letter is to request your approval of an extension to January 1, 2006, for applications to apply for Proposition 41 funding.

The uncertainties associated with contracting for a vendor leaves counties in a very difficult position, particularly with the additional expectation of deep budget cuts which would negatively affect staff and county resources, particularly in small, rural counties like Yuba.

An extension would provide a reasonable timeframe to resolve the outstanding issues and enable the counties to make informed, sound fiscal decisions based on exact information, instead of the 'unknown.'

Thank you for your consideration.

Sincerely,

Ms. Terry A. Hansen
